

A collage of three photographs. On the left, two young women stand together; one is wearing a purple shirt and white shorts, the other a white shirt and camouflage pants. On the right, a young man in a dark blue polo shirt with a crest is smiling, and another young man is shown from the chest up, writing in a notebook with a red pen.

Three students are standing in front of a whiteboard, each holding up a handmade 'Thank You' card. The cards feature a heart shape filled with the American flag. The student on the left is a girl with long brown hair and glasses, wearing a dark blue shirt. The student in the middle is a girl with long brown hair, wearing a light blue denim jacket over a black shirt. The student on the right is a girl with long brown hair and glasses, wearing a white shirt. The whiteboard behind them has some faint writing on it.

Mark Beckfield '75
President
Regis Catholic Schools Foundation

"I have attended Regis since kindergarten and I have loved every year ever since. Not only do I love the community, I also love and appreciate the staff and the hard work they put into giving me a fantastic education I cannot find anywhere else. If you're looking for success, it starts at Regis!"

Carly B. | Class of 2025

"Choosing Regis Catholic Schools for our daughter was the best decision we could have made for her education. We enjoy knowing that she benefits from a smaller-sized class, which encourages her to develop lasting and meaningful relationships with her peers and teachers. We know that while she is at school, she is treated like a valued member of a family and she receives a quality education that focuses on her mind, body, and spirit."

Nicole Meldahl | Parent

"During my time at Regis, I learned that there is more to living than just enjoying yourself. Of course, I do enjoy myself, but what has stuck with me for 70 years is the morals and principles I learned."

Jerome Bauer '54

How Your Generosity Makes a Difference

Your support enables us to meet immediate needs and plan for the future:

Enhancing Educational Resources:

Investment in modern technology and innovative teaching tools, particularly in K-12 STEAM education, which integrates Science, Technology, Engineering, the Arts, and Mathematics to drive student engagement and inquiry.

Supporting Faith-based Programs:

The launch of **Ut Fidem** at the Regis Campus, designed to help students maintain their Catholic faith after high school.

Student Testimonial: "Ut Fidem taught me the importance of taking responsibility for my relationship with Christ. It encouraged me to set aside time each day for prayer and reflection, which has helped me grow closer to Jesus."

Improving Facilities: Upgrades to school security across K-12, renovation of the Regis Campus gymnasium, enhancements to the lunchroom, and revitalization of the second floor.

Scholarships and Tuition Assistance:

Essential financial assistance ensures that quality Catholic education is accessible to all families.

Growth of the Regis Catholic Schools Foundation Endowment: Supporting our schools today, tomorrow, and for generations to come.

Join Us in Shaping the Future

Your support is essential to maintaining our tradition of excellence.

Together, we can ensure that Regis Catholic Schools continue to be a place where faith and learning go hand in hand.

"Attending Regis is a wonderful opportunity to be part of a small school environment where every student is known personally and nurtured to find belonging in a tight-knit community. It is a true joy to teach in an environment where every child comes from a family that values the well-rounded education that a private school has to offer."

Michael Bruning | Teacher
